Dear Community Partner,

We are excited to announce the 2nd Annual St. Augustine Sensory Fall Festival, hosted by The Arc of the St. Johns, The Therapeutic Learning Center for Children, and St. Johns Community Campus. This event embodies The Arc of the St. Johns' commitment to providing opportunities and advocacy for individuals and families impacted by developmental differences in St. Johns County and the surrounding areas. Our festival aims to create a safe and inclusive space for people of all abilities and support needs. It offers a chance to participate in fall festivities while connecting with valuable resources. This event is more than just a celebration; it is an opportunity to make a positive impact on the lives of those we serve, extending beyond the services we provide.

To ensure the success of this event and make it truly welcoming for everyone, we have identified several areas where your organization can offer support.
